CLASS OF '77

In, Just Four Years,
We've Built Sometimes
A Wall Or Two
But They Have Become
Everwidening Circles Of Friends
In A Fortress Of Life.

We've Been Searching
For The Wealth Of Knowledge
A Feeling Of Fulfillment
A Definition Of Love.

Slowly, As Waves In The Sea,
Our Hopes,
Our Fears,
Our Dreams,
Have Intertwined To Give Us
Appreciation For The Past
Awareness Of The Present
And The Willingness Of The Future.

These Things Will Remain
With Us.
They Are Cornerstones In
The Building Of Oneself
As A Person,
As A Friend,
As An Individual,
Capable Of Conquering
Our Future,
Our Dreams,
Our Sorrows And
Our Joys.
For The Class Of '77, The Past
Four Years Have Shaped, Solidified And
Made Meaningful All That We Have
Within Us.

Dear Cathy,

I spelled it right! I don't think I've forgiven you yet for pushing me in the lake at Murphy's dock that day. I nearly died! It was funny though when I pushed John in. How about that tennis game?

Well, best of luck, etc. I hope you get into Honor Society. Don't worry about it!

Though they may be gone from our world,
those we love live forever in our hearts.
It may make us sad or even still hurt
to think of them . . .
Think of them anyway, for we must never
let their memory die.

"Good Sportsmanship"

Good sportsmanship we hail, we sing,
It's always pleasant when you spot it.
There's only one unhappy thing:
You have to lose to prove you've got it.

Well it's been a long year and I've been a faithful informer for the period when class. You've been a good friend and maybe you weren't so erratic on getting out to the bus stop you might get a few more rides in the morning (it was interesting). Thanks for taking me to church and if you ever need a lifeguard again just call work (D.Q) and the Regents. Enjoy this Good luck with skiing. Enjoy Summer and I'll let you know when I go
